

The Premium Custom ceremony is our top of the line offering. I'll pull out all the stops to make your ceremony a unique, one-of-a-kind experience. You can use our wide array of ceremony resources, or we'll craft a customized ceremony from scratch.

I'll suggest ideas for each facet of your ceremony. You can include as many people as you like in your ceremony and I'll coach them every step of the way. You don't need to ask, "Is it possible to...?" The answer will always be a resounding "YES!" (as long as it's legal!). I'll get together and write a draft of your ceremony approximately two months before your wedding, e-mail it to you for revision and editing and make whatever changes you want until it's just the way you want it. You will have a final written script of your wedding prior to the event. And we'll make sure we get to know you both personally, so that we may, with your permission, tell a personal story or two at your ceremony.

The Premium Custom ceremony includes my attendance at your rehearsal, where I'll take care to make sure everything runs smoothly for the real thing! On your wedding day, I'll arrive 60 minutes prior to your ceremony and serve as ceremony coordinator to make sure everyone is in the right place at the right time and as relaxed as can be. I'll coordinate with your other ceremony vendors prior to the wedding day to ensure that we are all on the same page.
